

**MEMORANDUM OF UNDERSTANDING**

**Between**

**SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY (SGT)-BADLI ROAD CHANDU  
BUDHERA, GURUGRAM, HARYANA, INDIA**

**AND**

**ABHA BIOTECHNOLOGY Pvt Ltd., NOIDA**

Shree Guru Gobind Singh Tricentenary University (SGTU), Gurugram, India and Abha Biotechnology, Noida, wish to establish co-operative relations between the two institutions, especially to develop the academic research links/collaboration and cultural interchange between the two institutions through mutual assistance in the areas of education, research, capacity building and others.

**About SGT University**

Shri Guru Gobind Singh Tricentenary University, is a private University in Gurugram, Haryana. The University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of society, under the parasol of Dashraesh Educational Charitable Trust, found in 1999. In fact the seeds for magnificent growth were sown way back in 2002 with establishment of SGT Dental College.

The University is providing education in various disciplines, which is relevant for today's health care needs & highly competitive global market. The University offers a unique blend of theoretical & practical training & cutting edge technology to students, making them technically well rounded professionals.

The University wishes to establish a learning environment that shall motivate the students to explore their levels of potential & its related scope in their respective fields. The Mission is to develop with great sense of esthetics, a learning stimulating environment. The futuristic curriculum is specially designed to cater to the needs of present era & also prepare the students on application fronts in working as a team with ethical; morals & professional liabilities. SGTU believes in overall holistic development of our students as well as the Faculty in every discipline, so that they can perform their responsibilities in the community in best manner.

organization. The vision of this organization is to become No.1, Skill Development, Bio-services & Bio-Manufacturing company, and the mission is to empower Human-mankind by skills and promote ecofriendly products & services. ABHA BIOTECHNOLOGY PVT LTD also conducts Training/Dissertation Programs, Workshops and Seminars for Postgraduate and Undergraduate Students of Biological Sciences to provide the research exposure and opportunity to work and earn as a professional.

#### Scope of Cooperation:

The areas of cooperation include, subject to mutual consent, programmes offered at both institutions as felt desirable and feasible on either side, or that both sides contribute to fostering and development of the cooperative relationships between the two institutions. The assistance to be provided by each of the parties will be teaching, research, exchange of faculty and students, cultural exchange and staff development, as deemed beneficial by the two institutions. Upon reaching agreement on specific projects, the parties shall document their understanding of the specific terms of each project in a written agreement to be signed by both parties.

#### General Area of Cooperation:

Assistance shall be carried out subject to the advance written approval through such activities or programmes as:

1. Training/Dissertation Programs, Workshops and Seminars for Postgraduate and Undergraduate Students.
2. ABHA BIOTECHNOLOGY PVT LTD will allow above mentioned College Students to visit and to gain live exposure of the institute, on a mutual consent and terms and conditions.
3. As SGT University, Gurugram has qualified Researchers and learned Professors, therefore the university will become Industry's knowledge Partner.
4. Abha Biotechnology, Noida will provide necessary assistance to SGT University, in the field of Scientific Research.
5. Both the organizations will exchange their experiences and will cooperate with each other.

#### Intellectual & Technical Property Rights

In the course of collaboration between SGTU and Abha Biotechnology, participating individuals using proprietary materials and technologies acquired by either institution must adhere to intellectual property (IP) and technical property (TP) protection (e.g. material transfer agreement (TA) or license) pertaining to the relevant technologies and material. Protection of innovation, research products and other IP/TP (through patents, knowledge production right, or other means) accruing from joint collaboration between SGTU and Abha Biotechnology will be done jointly following consultations with the relevant institutional IP/TP organs/panels on proprietary science and technology. Ownership and management of all TP and IP resulting from any collaboration shall be addressed in the written agreement governing each project.

#### Renewal, Termination and Amendment

This Memorandum of Understanding shall remain in force for a period of five (5) years from the date of the last signature, with the understanding that either party giving written notice to the other party in any year may terminate it. The agreement may be extended by mutual consent of the two parties.

This Memorandum of Understanding may be amended by written amendment signed by the authorized persons at each institution.

For the purposes of this memorandum of agreement encompassing specific programs between SGTU and Abha biotechnology it is understood and agreed that neither party shall be liable for any negligent or wrongful acts, either
