

**MEMORANDUM OF UNDERSTANDING**

**Between**

SGT University, India and Balaji Naturecure Wellness Centre, India

Shree Guru Gobind Singh Tricentenary University (SGTU), Gurugram, India and Balaji Naturecure Wellness Centre wish to establish co-operative relations between the two institutions, especially to develop the academic research links/collaboration and cultural interchange between the two institutions through mutual assistance in the areas of education, research, capacity building and others.

**About SGT University**

Shri Guru Gobind Singh Tricentenary University is a private University in Gurugram, Haryana. The University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of society, under the parasol of Dashmesh Educational Charitable Trust, found in 1999. The University is providing education in various disciplines, which is relevant for today's health care needs & highly competitive global market. The University offers a unique blend of theoretical & practical training & cutting-edge technology to students, making them technically well-rounded professionals. The University wishes to establish a learning environment that shall motivate the students to explore their levels of potential & its related scope in their respective fields. The Mission is to develop with great sense of esthetics, a learning stimulating environment. The futuristic curriculum is specially designed to cater to the needs of present era & also prepare the students on application fronts in working as a team with ethical, morals & professional liabilities. SGTU believes in overall holistic development of our students as well as the faculty in every discipline, so that they can perform their responsibilities in the community in best manner.

**About Collaborating institution**

Balaji Naturecure Wellness Center has been established by Maharaja Agrasen Naturopathy and Yoga Sadhana Research Trust at Delhi, with an aim of promoting Naturopathy and Yoga in treating various diseases and hence providing healthy lifestyle to the common man, resulting in the improvement of their quality of life to stay disease free unto old age. Established in the year 2006 at an eight acre eco friendly campus at the outskirts of Delhi, Balaji Naturecure Wellness Center has become a widely acclaimed destination To promote Naturecure and Yoga for enhancing the quality of life of people from all strata of society, as well as to inculcate in them a regimen of regular exercise, proper eating habits and effecting lifestyle modifications, for leading a happier, longer and stress free life, towards creating a disease free world.

### Scope of Cooperation:

The areas of cooperation include, subject to mutual consent, programs offered at both institutions as felt desirable and feasible on either side, or that both sides contribute to fostering and development of the cooperative relationships between the two institutions. The assistance to be provided by each of the parties will be teaching, research, exchange of faculty and students, cultural exchange and staff development, as deemed beneficial by the two institutions. Upon reaching agreement on specific projects, the parties shall document their understanding of the specific terms of each project in a written agreement to be signed by both parties.

### General Area of Cooperation:

Assistance shall be carried out subject to the advance written approval through such activities or programs as:

1. Curriculum and Professional Development
2. Students Internship
3. Student Exchange
4. Faculty Exchange
5. Research Collaborations as per the approval of the ethical committee of the respective institutions.
6. Co-organizing national/ international seminars
7. Continuing Education

### Boarding and lodging during faculty and student exchange:

The host institution will be responsible for the accommodation and local travel of the visiting faculty members and students at the university campus at a minimal cost. But if the visitors so desire they can arrange their own accommodation by bearing the applicable cost and the parent institution will be responsible for the same.

### Intellectual & Technical Property Rights

In the course of collaboration between SGTU and Balaji Naturecure Wellness Centre, participating individuals using proprietary materials and technologies acquired by either institution must adhere to intellectual property (IP) and technical property (TP) protection (e.g. material transfer agreement (TA) or license) pertaining to the relevant technologies and material. Protection of innovation, research products and other IP/TP (through patents, knowledge production right, or other means) accruing from joint collaboration between SGTU and Balaji Naturecure Wellness Centre will be done jointly following consultations with the relevant institutional IP/TP organs/panels on proprietary science and technology. Ownership and management of all TP and IP resulting from any collaboration shall be addressed in the written agreement governing each project.

### Renewal, Termination and Amendment

This Memorandum of Understanding shall remain in force for a period of five (5) years from the date of the last signature, with the understanding that either party giving written notice to the other party in any year may terminate it. The agreement may be extended by mutual consent of the two parties.
