Shree Guru Gobind Singh Tricentenary University (SGTU), Gurugram, India and ECON Laboratory and Consultancy, with a registered address Vill.: Khabarwala, P.O. Jaintanwala, Near Garhi Cantt., Dehradun, Uttarakhand-248003 (CIN: UNIN20120500014186; GSTIN: 05AAEFE7805R1Z0), wish to establish co-operative relations between the two institutions, especially to develop the academic research links/collaboration and cultural interchange between the two institutions through mutual assistance in the areas of education, research, capacity building and others.

About SGT University

Shri Guru Gobind Singh Tricentenary University, is a private University in Gurugram, Haryana. The University came into existence by the Haryana Private Universities (Amendment) Act No. 8 of 2013 making educational opportunities available to all segments of society, under the parasol of Dashmesh Educational Charitable Trust, found in 1999. In fact the seeds for magnificent growth were sown way back in 2002 with establishment of SGT Dental College.

The University is providing education in various disciplines, which is relevant for today's health care needs & highly competitive global market. The University offers a unique blend of theoretical & practical training & cutting edge technology to students, making them technically well rounded professionals.

The University wishes to establish a learning environment that shall motivate the students to explore their levels of potential & its related scope in their respective fields. The Mission is to develop with great sense of esthetics, a learning stimulating environment. The futuristic curriculum is specially designed to cater to the needs of present era & also prepare the students on application fronts in working as a team with ethical, morals & professional liabilities. SGTU believes in overall holistic development of our students as well as the Faculty in every discipline, so that they can perform their responsibilities in the community in best manner.

About: ECON is committed for providing Building Material & Environmental Testing and Consultancy services since its inception in 2012. ECON determined to be the benchmark quality within our industry by being the most innovative diversified Environmental & Building Material Testing Laboratory and Consulting firm in India. The use
