This Memorandum of Understanding (MOU) sets out the terms and understanding between Shree Guru Gobind Singh Tercentenary (SGT) University, Chandu-Budhera, Gurugram (Haryana) – 122505, established under Haryana Private Universities Act 2006 hereinafter referred to as "SGT University" (which expression shall unless repugnant to the context or contrary to the meaning thereof be deemed to mean and include its successors in business and permitted assigns/ partners for the time being and the survivor or survivors of them)

AND

Park Group of Hospitals is the fastest growing chain of Super Specialty affordable hospitals in India and presently operating with over 1500 beds in Delhi NCR & Haryana, and having its registered office at **Q Block South City 2, Sohna Rd, Main, Sector 47, Gurugram, Haryana 122001** (Park Hospital is the best affordable hospital in North India which is NABH accredited and provides comprehensive spectrum of advanced medical & surgical interventions with a perfect mix of inpatient and outpatient services to patients of all age groups and social and economic backgrounds).

This MOU is being executed between the parties, regarding providing on-job training experiences to the students, who are pursuing Paramedical and Physiotherapy courses from SGT University at Park Hospital, New Delhi, and on the following terms and conditions.

A.BACKGROUND

SGT University came into existence by virtue of Haryana Private Universities (Amendment) Act No.8 of 2013 for making educational opportunities available to all segments of the society under the parasol Dashmesh Educational Charitable Trust, which was founded in 1999 with the holy cause of propagating the message of Shri Guru Gobind Singh Ji, the great philosopher and social reformer, who says "spread of learning is the best service to mankind". In Fact, the seeds for its magnificent growth were sown way back in 2002 with the establishment of the SGT Dental College.

The aim of SGT University is to aim for education for better job opportunities through excellent academic standing, the best of infrastructure and stimulating learning environment both in theory, practical and research.

The allied health sciences have become a very sought after field of education looking at the importance it has gained over the years resulting in a huge gap of such professionals. In order to cater to this demand to whatever extent possible, the Faculty of Allied Health Sciences at Shree Guru Gobind Singh Tercentenary University started degree and diploma courses in Medical Laboratory Technology, Operation Theatre Technology, Radio-Imaging Technology and Optometry in 2013. The increase in number of diseases worldwide and the need for better treatment options and research in these fields has paved the way for allied health faculty in a big way and this has led to the introduction of more job oriented specialized graduate programs in the institution, as in Neurophysiology Technology, Nutrition and Dietetics and Microbiology and post-graduate programs in Medical Laboratory Technology, Operation Theatre Technology, Radio-Imaging Technology, Optometry and Nutrition, and Dietetics along with Ph.D.program in Nutrition and Dietetics.

SGT University has started new graduate programs in Cardiac care Technology, Renal Dialysis Technology, Perfusion Technology and Medical Record Technology. PG diploma in CT, PG diploma in MRI and post-graduate program in Microbiology during the session i.e. 2019-20.

For the smooth functioning of hospitals i.e. day to day activities hospitals need a person with the background of Hospital Administration.

PARK GROUP OF HOSPITALS

Faculty of Commerce & Management, SGT University is offering courses in the field of Hospital Management at UG and PG levels. The curriculum of UG and PG programs of Hospital Administration has been designed considering the needs of the hospitals.

Faculty of Physiotherapy provides an Ideal combination of Professional & Academic excellence. The Vision of Faculty is to provide quality education to the youth and to produce Competent, Skilled and Dedicated Physiotherapists who are good clinicians, excellent team workers, lifelong learners and excellent professionals who can work in a variety of health care delivery systems. Our core strengths are a unique style of teaching, strong advisory board, innovative and job oriented course curricula and emphasis on research and innovation.

B. RATIONAL ABOUT SGT

Practical hands-on experience is a mandatory component of all courses offered at the SGT University, the duration of which depends on the overall course structure. SGT University is imparting in-hand training/ practical skills to the students in SGT Hospital but wants to expose the students to the corporate hospital world where they are supposed to work after finishing the programs. Also, in the healthcare sector particularly, training in well-established healthcare service providers will provide invaluable experience for the young trainees. For the on-job training partner, this will provide a means to shape the future generation of allied healthcare professionals emerging from India, and contribute to fostering a culture of best practices within the healthcare industry. Further, the on-job training partner also has the opportunity to recruit fresh talent, which is already familiar with their operations and functioning.

C. PURPOSE ABOUT SGT

The purpose of SGT University for Healthcare is to skill people in the age group of 18 years and above in degree courses to cater to the demands of the healthcare sector. The SGT University aims at enhancing the employability of its students through soft-skills training, language training and more in addition to the technical training provided.

D. PARTNER

Park Hospital shall only act as a corporate training partner for the students of SGT University. The Trainees shall under no circumstance be deemed to be the employees of Park Hospital. SGT University shall not be under any obligation to pay any amount under any name nor shall any statutory obligations in this regard devolve upon SGT University.

E. PERIOD

This Agreement shall be in force for a period of five years from the date of effectiveness. Thereafter it can be extended with the mutual agreement of the parties in writing.

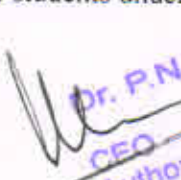

F. OBLIGATIONS OF PARK HOSPITAL
