4. Objective of the Activity: The primary objective of this outreach activity was to aware individuals by educating them about the Cyber Crime and safe online practices, recognizing signs of cyber threats.

5. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

The Outreach and Community Services Committee, Faculty of Applied and Basic Sciences, in collaboration with the Faculty of Commerce and Management under the aegis of Samajik Vikas, SGT ka Prayas, organized an Awareness Session on "Cyber Security- Need of hours" on April 10, 2024, at Govt. Senior Secondary School, Makrola, Gurugram. The event aimed to provide students and teachers with essential knowledge and skills to stay safe in the digital world through interactive activities, informative workshops, and real-life demonstrations. SGT students creatively depicted common online fraud scenarios, shedding light on the tactics used by cyber criminals to deceive unsuspecting individuals. Workshop sessions on phishing awareness, voice changing through AI, and confirming link authenticity aided in gaining valuable insights into best practices for safeguarding personal and financial information online, including tips on password security, data protection, and safe browsing habits. The session concluded with open discussions with cybersecurity expert Ms. Megha Walia to address any concerns or queries regarding online security.

6. Description of Beneficiaries

The outreach activity on - Cyber Security-Need of the hour (cyber suraksha hamari avsakhta) conducted in **Govt. Sr. Sec. School, Mankrola village**, on April 10, 2024, was a significant step towards empowering Students and teachers through awareness of all possible Cyber frauds so as to carry forward the information to community.

7. Outcome of the Activity & its relevance to Health Sciences:

The event successfully equipped students with knowledge and skills to stay safe online through interactive activities and workshops. SGT students depicted common online fraud scenarios, while sessions covered phishing awareness and safeguarding personal information. Cyber security expert Ms. Megha Walia led an open discussion, addressing concerns. Participants, including student and teachers of Govt. Sr. Sec. School, Mankrola village, were empowered to spread awareness about cyber frauds within their community.
