## 7. Objective of the Activity:

The objective of the program was to create awareness among the entire population of the Gram Panchayat about the transmission, treatment, and prevention of TB. To decrease mortality and morbidity due to TB and cut transmission of infection until TB ceases to be a major public health problem.

## 8. Brief Write-up on the event

**Holistic Care Club** under the **Department of Medical Surgical Nursing** in collaboration with faculty of Physiotherapy, **SGT University** organized the outreach activity on “Health Screening Camp on Tuberculosis” at Anganwadi center Sunderpur, Farrukh Nagar, Haryana under the guidance of Prof (Dr). Sunil Kumar Dular , Professor and Dean Faculty of Nursing & Prof. (Dr.) Settepalli Jasmin Debora, HOD Medical Surgical Nursing.

The Programme was coordinated by Ms. Divya PG Tutors Medical Surgical Nursing. Following activities were carried out by NPCC and GNM students during the Programme.

- ❖ Health assessment of total 60 community peoples by considering their age changes and specific issues related to tuberculosis; was done by the PG students of NPCC.
- ❖ Lecture on prevention and management of tuberculosis early signs and symptoms .
- ❖ Demonstrated exercise, strength training, and flexibility exercise to promote overall well-being of all community peoples .

The Programme was highly appreciated by , Mr . Sartaj , Sarpanch of Sunderpur .
