- To Provide Awareness regarding Malariato all the beneficiaries.
- To involve students in co-curricular activities.

8. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

The Wellbeing Club under the Department of Community Health Nursing, Faculty of Nursing, SGT University, Gurugram organized an Awareness program on Malaria on 25th April 2024 at CHC Farukhnagar, Gurugram.

The program commenced with a brief introduction outlining the agenda for the day, emphasizing the significance of health awareness in our communities. The overarching goal was to educate attendees about the prevention and control of malaria, a disease that continues to pose a significant public health challenge.

Following the informative session, the GNM Internship Students showcased a Roleplay

scenario highlighting effective malaria prevention and control measures for General Population.

The success of the event was evident through the joyful smiles of the beneficiaries as they were overwhelmed to see the students of SGT University from the Faculty of Nursing performing for them.

The Programme was successfully done under the Guidance of Prof. (Dr.) Sunil K. Dular, Dean cum H.O.D, Community Health Nursing Department and supervision of all Faculty Members of Community Health Nursing Department and execution by Ms. Manidipa Sarkar (Tutor) Community Health Nursing Department.

9. Number & Description of Beneficiaries: 50 general population from , Haryana

participated.

10. Outcome of the Activity & its relevance to Health Sciences:

he objective of this malaria awareness program was to educate participants about malaria prevention and control measures, along with using roleplay to raise awareness effectively. Nursing students also encouraged all participants to prioritize their health by adopting and maintaining healthy lifestyle practices. This comprehensive approach aimed to equip individuals with practical knowledge on preventing malaria and underscored the importance of overall wellness for disease prevention and health promotion.
