Atal Community Innovation Centre, SGTU in collaboration with Faculty of Nursing, SGT University & Environmental Committee, SGTU had organized a capacity-building program on "Sustainable Solutions: Eco-Friendly Paper Bag and Decorative Products Production" from 21st to 24th May 2024. Plastic pollution has become a significant environmental concern, prompting communities to seek sustainable alternatives. In our locality, the adverse effects of plastic waste are increasingly visible, highlighting the urgent need for action. In response to the growing need for sustainable alternatives to plastic bags, this initiative aims to empower women within our community by equipping them with the requisite skills and knowledge to produce environmentally friendly paper bags. By providing a platform for hands-on training and educational discourse, participants will not only contribute to minimizing environmental harm but will also partake in a process of economic empowerment.
