

SGT UNIVERSITY

Shree Guru Gobind Singh Tricentenary University

Physical Health-Care Facilities

SGT University provides comprehensive on-campus healthcare services through its state-of-the-art **SGT Medical Hospital** and **Dental Hospital**, both located within the university premises. These facilities are accessible to students, faculty, staff, and their families. Key features include:

1. SGT Medical Hospital:

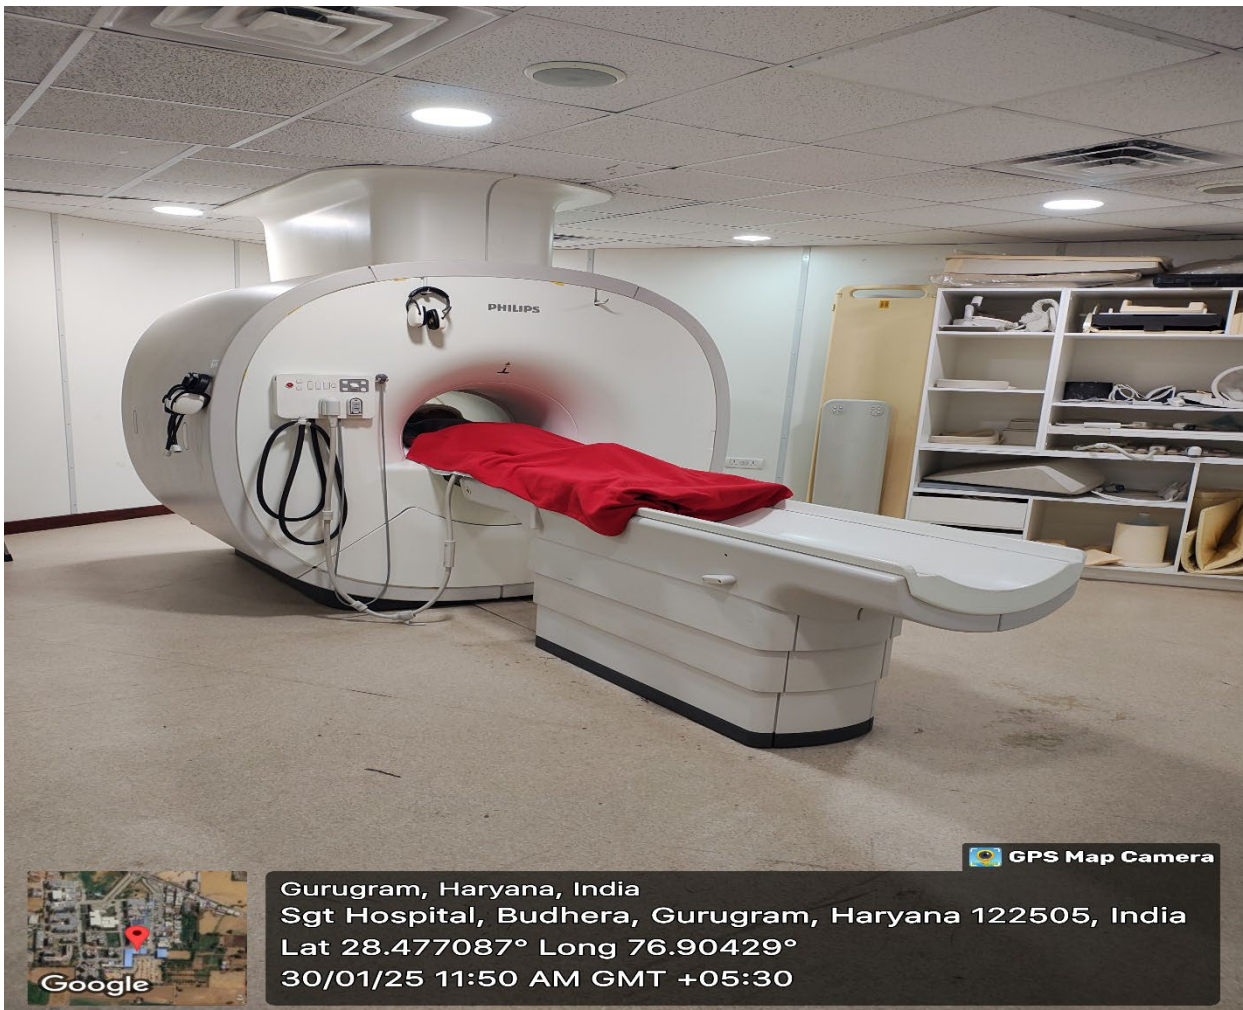

- Equipped with modern infrastructure and advanced diagnostic and treatment facilities.
- Offers outpatient, inpatient, and emergency services.
- Provides a **30% concession** on investigations and treatment charges for SGT staff and their family members.

2. SGT Dental Hospital:

- Offers advanced dental care with modern equipment and specialized services.
- Provides **free basic dental procedures** and **20% discount** on complex treatments for SGT staff and their family members.
- Highly skilled dentists and specialists ensure quality oral healthcare services.
- The hospital serves as a training centre for the **Faculty of Dental Sciences**, offering real-world experience to students under supervision.
